

# Harness the Power of Lyric's Market Leading Pre-Pay Editing Solutions

**We are Lyric.** Our ambition to simplify the business of care drives us to be more: to harness our 30+ years of expertise as a leader in pre-pay editing to create a system of robust payment accuracy solutions, backed by AI, language learning models, and strategic partnerships.

**We're proud to offer our comprehensive pre-pay editing solution—including an extensive primary editing library and customizable secondary edits.**

As a Lyric customer, you have the opportunity to implement our full content library and robust policy management capabilities developed and backed by our experienced medical directors, health information specialists, and certified coders.

We're proud to generate \$12 to \$14 billion in annual savings across our customer base.<sup>1</sup> ▶
